

Montana Airstream Club

President's Corner

August 13, 2019

Hello Airstreamers!

I hope everyone is enjoying the Summer. It was late starting here in Montana with lots of rain. This must be the greenest Summer I've seen since moving here.

We are fortunate to have Paul Lindstrom step up to be our Vice-President. He will be installed at the upcoming HAB Rally in Eastend, Saskatchewan. With Paul leaving his position as Trustee, we need someone to step up to become Trustee in his place. It's a great opportunity to start the journey in Airstream politics to help guide our club into the future. Anyone interested, please contact me before HAB so I can get the proper badge made for you.

On the subject of HAB (Hands Across the Border for you new folks), Ron Green has volunteered to lead a caravan to Eastend. Anyone interested in caravanning to Eastend and lives in the Bozeman/Livingston area should contact him. I believe the caravan will leave Wednesday morning and travel to Shelby, Montana to spend the night at the Lewis and Clark RV Park (406-434-2710) on the north end of Shelby. For those of you not in the Bozeman/Livingston area, you can meet the caravan at the said RV park and join the caravan to Eastend from there. Teri and I have reservations in Eastend on Wednesday night, so we will be driving straight through to Eastend leaving early Wednesday morning. Anyone interested in joining us should contact me so we can plan a place to meet and travel together.

I received an itinerary from Randy, Alberta/Saskatchewan President, today and have created a link in the Rally section of the newsletter. Randy also stated: **"Unless your members have any other Canadian destinations to hit before Eastend, I'd suggest the highway north of Harlem, MT. through Turner, MT. and Shaunavon, SK.**

We used this highway on our return from Lewistown and it is a good road for Airstreams. I would not recommend the route east of Climax then north into Eastend. Despite it being shorter, maybe 15 min. I think the last part north will be 30-45 minutes of gravel. Go north to Shaunavon then back S.W. into Eastend." The theme for this year's HAB has to do with Dinosaurs or Jurassic Park if you want to decorate accordingly.

That's all for now,
Mike Giao, President
