

Montana Airstream Club

President's Corner

July 12, 2020

Hello Airstreamers!

It looks like the Canadians will not be coming down for our HAB Rally. I spoke with Dona Dumont, President of the Alberta/Saskatchewan unit, and she said not to count on them coming down. Her unit's members could not commit because of the border being closed and the Covid "Plandemic". We might still see a few of them if the border reopens.

With this being the case, I wanted to contact all Montana members who have committed to the Rally if their commitment still stands. I would like to do a Montana only Rally so we can have installation of new officers. I need for all who plan to attend, please contact me by phone or email so I can adjust the reserved sites, plan meals with a head count, and plan activities. The Rally will be known as the "Northern Exposure Rally".

After I hear from those committed to the rally, I will send a document detailing rally fees and activities. I hope all will commit to this rally so we can catch up with old friends and meet new ones.

That's all for now!
Mike Giao, President
